17. **CONTRACTOR REQUIREMENTS AND PROCEDURES FOR BUSINESS PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED MINORITY- AND WOMEN-OWNED BUSINESS ENTERPRISES AND EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITY GROUP MEMBERS AND WOMEN**

NEW YORK STATE LAW

Pursuant to New York State Executive Law Article 15-A, Mohawk Valley Water Authority (MVWA) recognizes its obligation under the law to promote opportunities for maximum feasible participation of certified minority-and women-owned business enterprises and the employment of minority group members and women in the performance of MVWA contracts.

In 2006, the State of New York commissioned a disparity study to evaluate whether minority and women-owned business enterprises had a full and fair opportunity to participate in state contracting. The findings of the study were published on April 29, 2010, under the title "The State of Minority and Women-Owned Business Enterprises: Evidence from New York" ("Disparity Study"). The report found evidence of statistically significant disparities between the level of participation of minority-and women-owned business enterprises in state procurement contracting versus the number of minority-and women-owned business enterprises that were ready, willing, and able to participate in state procurements. Because of these findings, the Disparity Study made recommendations concerning the implementation and operation of the statewide certified minority- and women-owned business enterprises program. The recommendations from the Disparity Study culminated in the enactment and the implementation of New York State Executive Law Article 15-A, which requires, among other things, that MVWA establishes goals for maximum feasible participation of New York State Certified minority- and women - owned business enterprises ("MWBE") and the employment of minority groups members and women in the performance of New York State contracts.

INSTRUCTIONS TO BIDDERS

BUSINESS PARTICIPATION OPPORTUNITIES FOR MWBES

For purposes of this solicitation, MVWA hereby establishes an overall goal of 30% for MWBE participation, 15% for Minority-Owned Business Enterprises ("MBE") participation and 15% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs). A contractor ("Contractor") on the subject contract ("Contract") must document good faith efforts to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of the Contract and Contractor agrees that MVWA may withhold payment pending receipt of the required MWBE documentation. The directory of New York State Certified MWBEs can be viewed at: <http://www.esd.ny.gov/mwbe.html>.

For guidance on how MVWA will determine a Contractor's "good faith efforts" refer to 5 NYCRR §142.8.

In accordance with 5 NYCRR §142.13, Contractor acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such finding constitutes a breach of Contract and MVWA may withhold payment from the Contractor as liquidated damages.

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.

By submitting a bid or proposal, a bidder on the Contract ("Bidder") agrees to submit the following documents and information as evidence of compliance with the foregoing:

- A. Bidders are required to submit a MWBE Utilization Plan with their bid or proposal. Any modifications or changes to the MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to MVWA.
- B. MVWA will review the submitted MWBE Utilization Plan and advise the Bidder of MVWA acceptance or issue a notice of deficiency within 30 days of receipt.
- C. If a notice of deficiency is issued, Bidder agrees that it shall respond to the notice of deficiency within seven (7) business days of receipt by submitting to the MVWA, 1 Kennedy Plaza, Utica, NY 13502, a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by MVWA to be inadequate, MVWA shall notify the Bidder and direct the Bidder to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver in a timely manner may be grounds for disqualification of the bid or proposal.
- D. MVWA may disqualify a Bidder as being non-responsive under the following circumstances:
 - a) If a Bidder fails to submit a MWBE Utilization Plan;
 - b) If a Bidder fails to submit a written remedy to a notice of deficiency;
 - c) If a Bidder fails to submit a request for waiver; or
 - d) If MVWA determines that the Bidder has failed to document good faith efforts.

Contractors shall attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made after Contract Award may be made at any time during the term of the Contract to MVWA but must be made no later than prior to the submission of a request for final payment on the Contract.

Contractors are required to submit a Contractor's Quarterly M/WBE Contractor Compliance & Payment Report to the MVWA, 1 Kennedy Plaza, Utica 13502 by the 10th day following each end of quarter over the term of the

INSTRUCTIONS TO BIDDERS

Contract documenting the progress made toward achievement of the MWBE goals of the Contract.

BUSINESS PARTICIPATION OPPORTUNITIES FOR SDVOBS

For purposes of this solicitation, MVWA hereby establishes an overall goal of 6.5% for Service-Disabled Veteran-Owned Business Program ("SDVOB") participation. A contractor ("Contractor") on the subject contract ("Contract") must document good faith efforts to provide meaningful participation by SDVOBs as subcontractors or suppliers in the performance of the Contract and Contractor agrees that MVWA may withhold payment pending receipt of the required SDVOB documentation. The directory of New York State Certified SDVOBs can be viewed at: <https://ogs.ny.gov/Veterans/>.

For guidance on how SDVOB will determine a Contractor's "good faith efforts" refer to 5 NYCRR §142.8.

In accordance with 5 NYCRR §142.13, Contractor acknowledges that if it is found to have willfully and intentionally failed to comply with the SDVOB participation goals set forth in the Contract, such finding constitutes a breach of Contract and MVWA may withhold payment from the Contractor as liquidated damages.

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to SDVOBs had the Contractor achieved the contractual SDVOB goals; and (2) all sums actually paid to SDVOBs for work performed or materials supplied under the Contract.

By submitting a bid or proposal, a bidder on the Contract ("Bidder") agrees to submit the following documents and information as evidence of compliance with the foregoing:

- E. Bidders are required to submit a SDVOB Utilization Plan with their bid or proposal. Any modifications or changes to the SDVOB Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised SDVOB Utilization Plan and submitted to MVWA.
- F. MVWA will review the submitted SDVOB Utilization Plan and advise the Bidder of MVWA acceptance or issue a notice of deficiency within 30 days of receipt.
- G. If a notice of deficiency is issued, Bidder agrees that it shall respond to the notice of deficiency within seven (7) business days of receipt by submitting to the MVWA, 1 Kennedy Plaza, Utica, NY 13502, a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by MVWA to be inadequate, MVWA shall notify the Bidder and direct the Bidder to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver in a timely manner may be grounds for disqualification of the bid or proposal.
- H. MVWA may disqualify a Bidder as being non-responsive under the following circumstances:
 - e) If a Bidder fails to submit a SDVOB Utilization Plan.
 - f) If a Bidder fails to submit a written remedy to a notice of deficiency.
 - g) If a Bidder fails to submit a request for waiver; or
 - h) If MVWA determines that the Bidder has failed to document good faith efforts.

Contractors shall attempt to utilize, in good faith, any SDVOB identified within its SDVOB Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made after Contract Award may be made at any time during the term of the Contract to MVWA but must be made no later than prior to the submission of a request for final payment on the Contract.

Contractors are required to submit a Contractor's Quarterly SDVOB Contractor Compliance & Payment Report to the MVWA, 1 Kennedy Plaza, Utica 13502 by the 10th day following each end of quarter over the term of the

EQUAL EMPLOYMENT OPPORTUNITY REQUIREMENTS

By submission of a bid or proposal in response to this solicitation, the Bidder/Contractor agrees with all the terms and conditions of Appendix A including Clause 12 - Equal Employment Opportunities for Minorities and Women. The Contractor is required to ensure that it and any subcontractors awarded a subcontract over \$25,000 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor, shall undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

Bidder further agrees, where applicable; to submit with the bid a staffing plan identifying the anticipated work force to be utilized on the Contract and if awarded a Contract, will, upon request, submit to the MVWA, a workforce utilization report identifying the workforce utilized on the Contract if known.

Further, pursuant to Article 15 of the Executive Law (the "Human Rights Law"), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and sub-contractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility, and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.
