

**Request for Proposal (RFP)
for Professional Services
Structural Assessments for Dams
at
Southern and Deerfield Reservoirs**

The Mohawk Valley Water Authority is requesting proposals from engineering consultants with demonstrated experience in the structural analysis of dams and preparation of condition reports. This RFP is for structural assessments associated with three (3) MVWA dams/impoundments at the Southern Reservoir site, and one (1) at the Deerfield Reservoir. Reservoir locations are shown on the attached plans. Contact Jolie Murray at jmurray@mvwa.us for the full RFP.

Response to this RFP must include a hard copy of the proposal, submitted in a sealed envelope marked "Professional Services – Dam Structural Assessments" and addressed to:

Mohawk Valley Water Authority
One Kennedy Plaza
Utica, NY 13502
Attn: Kris Downes
Assistant Engineer

Proposals must be delivered to the above address by 11:00 A.M. local time on July 23, 2024.

Questions regarding this RFP should be directed to Mr. Downes @ (315) 792-0312 or kdownes@mvwa.us.

Site visits will be conducted by appointment between 9:00 A.M. and 4:00 P.M. on weekdays. Arrangements can be made by contacting Mr. Downes.
