

ADVERTISEMENT FOR BIDS  
RAW WATER TRANSMISSION PHASE 2  
MOHAWK VALLEY WATER AUTHORITY

Sealed Bids for the construction of the Raw Water Transmission Phase 2 will be received by Mohawk Valley Water Authority at the office of the Engineering Department, until 11:00 am, Local time, on August

13, 2024 at which time the Bids received will be publicly/privately opened and read. The Project generally consists of the following:

- Installation of approximately 5,200 linear feet of 54-inch welded steel or 63-inch HDPE piping
- within the Owner's easement and alongside the Owner's existing 24 and 36-inch transmission mains.
- Piping installation adjacent to Hinckley Reservoir Dam and West Canada Creek.
- Piping installation within the NYSDOT Route 365 right-of-way for a portion of the work.
- One (1) interconnection with the Owner's existing 42-inch transmission main.
- Three (3) interconnections to the Owner's existing 36-inch transmission main.
- Installation of dual linestops at each interconnection with associated bypass piping.
- Interconnection valving, ductile iron piping, and miscellaneous fittings.
- Installation of combination valve assemblies and structures.
- Installation of pipe cathodic protection system inspection stations (welded steel pipe only).
- Installation of pipeline cathodic protection system (welded steel pipe only).
- Demolition of an existing structure.
- Trenching, backfill, compaction, sheeting and shoring, and dewatering as required for the piping installation.
- Erosion and sedimentation control measures.
- Other miscellaneous work shown in the Contract Documents.
- Compliance with US Army Corps, New York State Department of Environmental Conservation (NYSDEC), New York State Department of Health (NYSDOH), New York Power Authority, Federal Energy Regulatory Commission, Herkimer County, and other authorities having jurisdiction requirements and/or permits when completing the Work.
- Bids will be received for a single Prime Contract. Bids shall be on a lump sum and unit price basis, as
- indicated in the Bid Form.

The Issuing Office for the Bidding Documents is Mohawk Valley Water Authority, One Kennedy Plaza, Utica, NY, 13502. Inquiries should be addressed to Jeremy Fennell at 315-792-0325 (email: [jfennell@mvwa.us](mailto:jfennell@mvwa.us)). Prospective Bidders may examine the Bidding Documents at the Issuing Office Monday through Friday between the hours of 9:00 am and 3:00 pm, and may obtain copies of the Bidding

Documents from the Issuing Office as described below.

Bidding Documents also may be examined at the office of the Engineer: Environmental Design & Research, Landscape Architecture, Engineering & Environmental Services, D.P.C., 217 Montgomery Street, 10

Floor, Syracuse, NY 13202, Monday through Friday between the hours of 9:00 am and 4:00 pm.

Bidding Documents may be obtained electronically through email free of charge by emailing Jolie Murray at [jmurray@mvwa.us](mailto:jmurray@mvwa.us). The date that the Bidding Documents are transmitted by the Issuing Office will be considered the Bidder's date of receipt of the Bidding Documents. Partial sets of the Bidding Documents will not be available from the Issuing Office.

A Pre-Bid Conference will be held at 11:00 am, Local time, on July 31, 2024, at the project site on Cady Road. Attendance at the Pre-Bid Conference is highly encouraged but is not mandatory.

Bid security shall be furnished in accordance with the Instructions to Bidders.
